I can try to write my story  
Or I can watch it all unfold  
Live within the lines to this town  
And be so predictable  
I can meet some expectations  
Or if you try to push, I pull  
But I think I'll take the long way

And there ain't nothing wrong with goin' against the  
grain  
I don't need a plan this time  
I'll take it by the day  
And every little step I take will be a step of faith  
I'm goin' against the grain, yeah yeah  
I'm goin' against the grain

We can go our separate ways  
And meet in the exact same place  
Maybe what is good for you  
Is just no good for me  
Bein' on a different page  
Don't mean we can't feel the same  
'Coz you know I'll take the long way

And there ain't nothing wrong with goin' against the  
grain  
I don't need a plan this time  
I'll take it by the day  
And every little step I take will be a step of faith  
I'm goin' against the grain, yeah yeah  
I'm goin' against the grain, yeah yeah

And there ain't nothing wrong with goin' against the  
grain  
I don't need a plan this time  
I'll take it by the day  
And every little step I take will be a step of faith  
I'm goin' against the grain, yeah yeah

And there ain't nothing wrong with goin' against the  
grain

No, I don't need a plan this time  
I'll take it by the day  
And every little step I take will be a step of faith  
I'm goin' against the grain, yeah yeah  
Goin' against the grain, yeah

I can try to write my story  
Or I can watch it all unfold  
Live within the lines to this town  
Baby, bet you know I won't
