I've been home for days  
These walls know me by name  
When I stare at the pictures they move in the frame  
Does this mean I'm going insane?  
I'm going insane

Waiting on a call from you  
Waiting to be found by you  
In this house alone, this is not my home, it's not my  
home  
God I feel this emptiness  
Be the one you always kiss  
I want you, just take me home

I've been driving around  
But you're still nowhere to be found  
Maybe it's time I moved on from this town  
Coz missin' is dragging me down, it's dragging me  
down

Waiting on a call from you  
Waiting to be found by you  
In this house alone, this is not my home, it's not my  
home  
God I feel this emptiness  
Be the one you always kiss  
I want you, just take me home

Take me home  
Take me home  
Take me home

Waiting on a call from you  
Waiting to be found by you  
In this house alone, this is not my home, it's not my  
home  
Gotta feel this emptiness  
Be the one you always kiss  
I want you, just take me home
