You should take it one step at a time
But ever since that night, I can't help but wanna fly
Coz baby I found you
ooh, baby I found you

I'd be taking a risk if I ask you to stay all day
Oh, would that be okay
Coz baby I want you
ooh baby I want you

I'd rather hold my breath underwater
I'd rather be a pig to the slaughter
I'd rather be crazy than without you

I'd rather lose all my possessions
I'd rather be lost without mention
I'd rather be alone than without you

You would be blind not to see
All the sparks that are flying, from you to me
But honey that's okay
I'll admit it was a cloudy day

You brought me to my knees with your beauty
I'd say that you move me
My heart skipped a beat, honey, that's alright
I admit that was quite a sight

I'd rather hold my breath underwater
I'd rather be a pig to the slaughter
I'd rather be crazy than without you

I'd rather lose all my possessions
I'd rather be lost without mention
I'd rather be alone than without you

You can be sure you have my attention
There's so much more to be had if you let me inside
Give me a chance to show me your best
That's what I request
I would take nothing less

I'd rather hold my breath underwater
I'd rather be a pig to the slaughter
I'd rather be crazy than without you

I'd rather lose all my possessions
I'd rather be lost without mention
I'd rather be alone than without you
