I wanna take time
In a world that moves too fast, I
I wanna kick back and just be
I wanna break stride
Take the road less traveled
And that's the way it should be

Oh and I'd do what I gotta do to make it
I'm gonna do it my way,
Say what I need to say to get by
And I'll take what I gotta take to make it
I'm gonna do it my way
I'm doin' it my way, yeah yeah

I wanna move on
Turn the page and write a brand new story
See what tomorrow will bring, yeah
I wanna believe
That everything is for a reason
And that is bigger than me

Oh and I'd do what I gotta do to make it
I'm gonna do it my way,
Say what I need to say to get by
And I'll take what I gotta take to make it
I'm gonna do it my way
I'm doin' it my way, yeah yeah

And I'd do what I gotta do, what I gotta do
What I gotta do, what I gotta do
I'm doin' it my way

I wanna stand up
For everything I believe in
Shake loose from the chains and things
I wanna be strong
When the bombs drop all around me
Nobody said it was easy

Oh and I'd do what I gotta do to make it
I'm gonna do it my way,

Say what I need to say to get by
And I'll take what I gotta take to make it
I'm gonna do it my way
I'm doin' it my way, yeah yeah
