Modem talking, modern walking in the streets  
New desire, take me higher  
Lift me higher with your speed  
I need fire

Get the satellite if you want to see me  
Talking on the net I know the way you like it  
Get your credit card cause I need no money  
All I wanna get is you baby

(x3)\*Running in the nineties, is a new way I like to be  
I'm just running in the nineties  
come on baby run to me  
We are running in the nineties,  
is a new way to set me free  
I'm just running in the nineties  
yes I wanna know, yes I wanna see

Cyber talking  
Cybersex is on the line  
New desire

Take me higher  
Boost me higher with your mind  
Set me on fire

Get the satellite if you want to see me  
Talking on the net I know the way you like it  
Get your credit card cause I need no money  
All I wanna get is you baby

New desire  
I need fire

Take me higher  
Lift me higher with your speed  
I need fire

Get the satellite  
Talking on the net  
Get your credit card  
All I wanna get

Running in the nineties, Running in the nineties  
Running in the nineties, Running in the nineties
