Hey baby say maybe  
I can take you out tonight  
What do you say  
You say you say  
You wanna go on a date  
A date a date  
Please don't say no lady  
Oh baby  
I can't let you walk away  
Just give me a yes a yes a yes  
She said then what happens next next next

I said how about you and me  
Make you complete  
Go hand and hand  
Close to each other  
Girl I wanna make my move

There's something about you  
I can't explain it  
I just know it  
Don't wanna leave these words unspoken  
Oh no

I wanna make you mine  
Hey wanna make you mine  
Hey wanna make you mine  
Hey wanna make you mine  
I wanna make you mine  
Before we run out of time  
I wanna make you mine

Why cupid  
I knew it  
Hit me right between the eyes  
What do I do do do  
Girl i'm all over you you you  
Love shot I can't help it  
Can't shelf it  
Girl you're such a PYT  
And I wanna touch touch touch  
If that isn't enough enough enough

Well then

How about you and me  
Make you complete

Go hand and hand  
Close to each other  
Girl I wanna make my move

There's something about you  
I can't explain it  
I just know it  
Don't wanna leave these words unspoken  
Oh no

I wanna make you mine  
Hey wanna make you mine  
Hey wanna make you mine  
Hey wanna make you mine  
I wanna make you mine  
Before we run out of time  
I wanna make you mine

Wanna make you mine girl  
Wanna make you my girl  
Hey take my number  
You can call me anytime girl  
Wanna make you mine mine mine mine mine  
Cause you're so fine fine fine fine fine

Wanna make you mine boy  
Wanna make you my boy  
If I take your number  
Could I call you anytime boy  
Wanna make you mine mine mine mine mine  
Cause you're so fine fine fine fine fine

There's something about you  
I can't explain it  
I just know it  
Don't wanna leave these words unspoken  
Oh no

I wanna make you mine  
Hey wanna make you mine  
Hey wanna make you mine  
Hey wanna make you mine  
I wanna make you mine  
Before we run out of time  
I wanna make you mine  
Before we run out of time
