So take me know again
Spend my night in the
For the exclusiv hip hop
Yesterday

The dance floor
Seems like a jungle now

...

That's no way out
And the world shows up ...goes down
Oooh
Every dy of the week should be a weekend
Ooo

Every night we wont sleep
Weekend

Oooh w
we go party

Oooo
Every dy of the week should be a weekend
Ooo

Sunshine
The dance floor
Seems like a jungle now

...

That's no way out
And the world shows up ...goes down
Oooh
Every dy of the week should be a weekend
Ooo

Every night we wont sleep
Weekend

Oooh w
we go party

Oooo
