I know, I don't know you  
But don't think I don't know you  
I saw you going under  
I saved one for me  
'Cause I'm all at sea lad  
Don't know if I'm coming or going  
There's no thorn,  
North Star, cannot, poison talk  
It belongs to me  
I only wanna  
Oh, I just wanna  
Oh, I don't want anything,  
means to the world to me  
Well, I'm all at sea dad  
I don't know if I'm coming or going  
There's no hope, no, there's no fear, there's no rent or  
rears  
Leave it all to me  
If you take it all away  
Is to pile up everything you never wanted  
Ain't just too bad  
Never wanted it so bad  
Now, where can I go?  
Hear the songs I need I used to go to your room  
And open up a move, making me  
Ah, tell me where can I go?  
To hear the songs I need  
You find me in your room  
Listen to open up my move, oh  
Now, where can I go?  
Just to hear the songs I need  
You find me in your room  
Open up for me, oh
