Don't look back into the sun  
Now you know that your time has come  
And they said that it'd never come for you  
Oh my friend you haven't changed  
Looking rough and living strange  
And I know that you've got a taste for it too

I shall never forgive you  
But she won't let you go  
No, never forgive you  
And they wont let you go  
Oh no!

Don't look back into the sun  
You got your past, but you are on the run  
I know the lies you said  
You dared to say

I heard that song at the Death Disco  
Starts so fast and ends so slow  
All the time I had to think of you

I shall never forgive you  
But she won't let you go  
No, never forgive you  
And they wont let you go  
Oh no!
