I'm running away with you
That's all I ever do
That's all we ever mean
I forgive you everything

Meet me at the railroad bar
About 7 o' clock
You talk while the sun goes down
Watch the lovers leavin' town

This is for lovers
Running away
This is for lovers
Running away
Just for today

Im running away with you
From yesterday's news
Let's leave it all behind
Help me back
To my mind

I paid the penalty
Hear the jailer
Rattling the key
But the key was mine
I keep a spare one everytime

This is for lovers
Running away
This is for lovers
Running away
Just for today

This is for lovers
Running away
This is for lovers
Running away
Just for today

This is for lovers

Running away
This is for lovers
Running away
Just for today

This is for lovers
Running away
