Well I got sweets  
and I got dreams  
i got gold winged sandals  
and theyre just flying off my feet

With that ghost ship towing down  
these wide open streets  
oh lord, I need my sweets

Well I ain't got no big fancy house  
ain't got no fancy car  
I don't take my holidays in Polynesia  
but everywhere I ever go  
and everyone i meet,  
oh lord, i need my sweets

well, i know some cats  
and i know some rats,  
and i know rude boys,  
i know scallywags,  
i know aristocrats (Dochers!)  
but everywhere i ever go  
and everyone i meet  
oh lord, i need my sweets

some people they go up  
and others they go down  
some people they go sideways  
i wanna see them spin it all the way round.  
one thing that i know  
is that when im in this town,  
oh lord, i need my sweets

On drums - Mr Rowntrees!  
On bass - Mr Lombard!  
On rhythm - the pigman...

well, i know a girl,  
she's out of this world  
\*whistle\*  
i don't have to buy her no diamonds or no pearls

and i'll never have to lie to her or cheat  
coz she brings me my sweets
