### "Concertina"

In denial  
Who will come clean all the ravenous debris  
In disguise  
Sideswiped by penance cerecloth sentencing

This scapegrace will pay my barking harangue... are  
you listening?

On the 14th you stole  
What hasn't grown old

In denial  
File this under a bridge that he can't leave

Will those shadows glare  
From that blank-rimmed stare  
In a vacancy hush

Aunque me dejastes ahogado en el mar, acuestate en  
la tierra de la realidad de tu sueno,  
Manos me recuerdo solamente a ti te odio yo ya me  
voy

In denial  
Who will clean up all this ravenous debris  
In denial  
File this under a bridge that he can't leave

And the storyville  
Sawbones couldn't tell  
The prescription to mend  
All the broken wills  
In the white lie wards  
Don't you pretend

Tangled in thorns  
To walk unborn

And this debt will collect  
All the sickness that infects

Suddenly drives up  
Sentencing valley  
Count all the handshakes  
Syringe overflows

Tangled in thorns  
To walk unborn

And this debt will collect  
All the sickness that you infect  
And this debt will collect  
All the sickness you infect

And this debt
