Pretend

(La)

(Don't pretend,, and don't u hide from me)

You, object of my desire, you got that something, I,

Seem to pray for.

Soon, I don't mean to be sly, but could I get inside,

And feel a little closer.

I know your holding back because your eyes never lie.

(No they don't no, these emotions that ur tryin t fight)

But if u just give in girl, I'll make u smile, (u know

I will), the confusion ur feeling will...

Why should u pretend, I know u feel something, I don't

Know why ur holding all ur urges inside.

Thers no need to pretend, lets get this happenin, just

Let down all ur barriers ur hiding behind, girl don't

Deny me.

(La)

(why are u pretendin, I don't know)

Truth, be told I like that u, don't feel like dancin to,

So we can take a seat and talk, a little conversate

Speak on a future date, girl I think that u should give

Me a go.

I know ur holding back, coz ur eyes never lie, these

Emotions tht ur tryin t fight, (why u wanna fight)

Why don't u just admit that I make u smile, (u know I

Do) how did it take u so long just to...

Y do u pretend, I know u feel something, I don't know y

Ur holding all ur urges inside,

Thers no need to pretend, lets get this happenin, just

Let down all ur barriers ur hiding behind, girl don't

Deny me,

(La)

Got my eyes on u

(Why wud u hide)

An I think ur feelin me too

(Why do u feel...)

Y do u pretend, I kno u feel somethin, I don't kno y ur
Holdin all ur urges inside,
Thers no need to pretend, lets get this happenin, just
Let down all ur barriers ur hidin behind. girl don't
Deny...

Y do u pretend, I kno u feel somethin, I don't kno y ur
Holdin all ur urges inside,
Thers no need to pretend, lets get this happenin, just
Let down all ur barriers ur hidin behind. girl don't
Deny me.
