See now im not the picky type,  
but im gonna go out and get whats mine  
got to quest my appetite,  
so much choice yeah so little time.

Some may think that im easy,  
unlike some guys are hard to please  
wanna set my record straight,  
cos its not about escaping.

#### BRIDGE

im not feeling lonley,  
im just biding my time  
im searching for my beauty,  
what im sure will be just mine  
dont fuss about her,  
just looking for a good time  
if you wanna come see me,  
dont hesitate girl.

#### CHORUS

I keep it universal,  
just want to get my front on  
no need for no rehearsal,  
i wanna see the final show.  
Just keep it universal,  
i play the game to win (oh)  
no need for no rehearsal,  
seen everything i need to know.  
Cos im keeping this universal.

#### VERSE

Sometimes feel you got me wrong,  
wont come get your conversation on  
feel im quite approachable,  
dont let my propriate get out no  
in time ill settle down,  
then my queen can share my crown  
but for now just gonna go out,  
cos i dont know what im missing.

BRIDGE

CHORUS
