"Book Mobile (Read or Die)" by Pajama Slave Dancers  
off of Heavy Petting Zoo 1989

I drive the bookmobile  
thats me behind the whell  
Occasioanlly a child i steal  
to feed them a learning meal  
read read read or DIE  
read read read or DIE  
read read read or DIE  
Negative reinforcement  
gets the job done  
who ever said  
that reading is fun  
I'm the spelling judge  
And I'm the spelling jury  
Improve your Comprehension  
Or feel my Fury  
read read read or DIE  
read read read or DIE  
read read read or DIE  
You need to read  
read with speed  
you need to read  
'til your eyes bleed  
Kids wnat to make money  
but don't want to learn  
I'm coming down your street sonny  
You'll get your turn  
read read read or DIE  
read read read or DIE  
read read read or DIE  
I drive the bookmobile  
that's me behind the wheel  
I drive the book Mobile  
It's my job I do it with zeal
