"Bozo's Gone Berserk" from "Heavy Petting Zoo"  
by the Pajama Slave Dancers 1989  
Well you know you often see him  
Often see him on the street  
But he doesn't smile no more  
as he shuffles those big feet  
He's guning for Ronald MacDonald  
And other clowns with work  
He'll take out a few mimes  
Cause Bozo's gone Berserk  
Well Bozo's gone berserk  
He's taken over a stallite  
Jammin' your TV stations  
Telling kids how to make pipe bombs  
Explaining procreation  
Got skulls on his ruffles shirt  
Spiked his red hear  
Telling kids it lots to fun  
to drink and smole and spit and swear  
Well Bozo's gone berserk  
Well Bozo emotions  
are envy and greed  
But he don't care  
Cause he's wacked out on week  
in the kiddie show sanitarium  
Sly smile on his fae  
Casuse him and Kaptain Kangeroo  
are planning to escape  
Well Bozo's gone berserk
