(Music: Pell / Lyrics: Pell)

Hangin' out on the street with a  
Face full of tears  
I couldn't understand why  
He puts me down in a hole I don't  
Know where to go  
That's tearin' at my soul  
Endless pains goin' far too long  
Broken souls could never be so  
Strong - again  
I'm an innocent child  
Hear me calling  
(I'm an) innocent child  
Hear me calling  
The nice guy was calling, he taught  
Us not to fear,  
And don't go cryin' to others  
He was bad to the bone with a heart  
Made of stone  
Naked bodies all alone  
Repeat bridge  
Repeat chorus
