Music: Pell

Lyrics: Pell/Soto

Gonna take u down,
Down 2 the floor,
Gonna make u wanna
Scream 4 more.
Take a look,
A look in my direction.
Touch your body as you're
Feelin' my erection!
As I burn in your desire,
I can feel
U takin' me higher.
Up + down,
Fill u up with my love,
(Hey, hey, do u wanna ride
The bullet!)
In + out til u can't
Get enough.
I'll be the best,
The best u ever had,
Do it so good,
I swear I'll drive u mad.
Lick your body like a cat
With a bowl of cream
+ when you're comin' up, ooh
It's so obscene,
Yeah, u pump me 2 the wire,
Like a burnin' wheel of fire.
Grind u down til you're
Beggin' 4 reason
(Hey, hey, do u wanna ride
The Bullet!)
Taste my skin,
It's that time of the season.
