See the skin on my hands  
worn right down,  
Down to the bone.  
See The blood dripping Down to the floor  
Bleeding for you.  
I'll Work like a slave  
Do as you want Bleeding for you.  
There Is nothing left  
A hollow shell  
Ghost in the machine!  
You take me for granted  
You work me like a slave  
But I can see your face  
And I don't want to live that way.  
No more!  
No With The blood on my Hands

I won't die By your command.  
Greed vice and corruption  
The things For which you stand.  
Fuck you and your reasons  
They mean nothing to me.  
I'll rise up against  
Until it is Your hands that bleed.  
You take me for granted  
You work me like a slave  
But I can see your face  
And I don't want to live that way.  
No more!  
No more!  
No more!
