I like a boy in uniform (school uniform)
I like a boy in uniform (school uniform)
I like a boy in uniform (school uniform)
I like a boy in uniform (school uniform)

I walked past him and I gave him a wink
he must think I am sexually impertinent
and when I'd go lightly, I'd feel like a mint
but does he really know me?
do I really know him?

I should have noticed it before
he was a little too controlled
my girlfriends said they saw the boy
looking at the boys
looking at the boys
looking at the boys

he likes a boy in uniform (school uniform)
he likes a boy in uniform (school uniform)
he likes a boy in uniform (school uniform)
he likes a boy in uniform (school uniform)

now I'm so sad, 'cause I loved him so
but I think it's better to go with the flow
and now I found my outlook isn't so narrow
in lessons, I am dreaming of the girls that I know!

I like a girl in uniform (school uniform)
I like a girl in uniform (school uniform)
I like a girl in uniform (school uniform)
I like a girl in uniform (school uniform)

but now I know that all it is
is plenty more than hug and kiss
and when I think of married bliss
I'm looking at the girls
looking at the girls
looking at the girls!

I like a girl in uniform (school uniform)

I like a boy in uniform (school uniform)
I guess not everything is uniform
I wanna kiss everyone in uniform!

I like a girl in uniform (school uniform)
I like a boy in uniform (school uniform)
I guess not everything is uniform
I wanna kiss everyone in uniform!
