"Sex"

He said we could talk about gossip
We could talk about lies
He said we could talk about rumours
We could do whatever i like
Then he said 'lets stop with all the talking, w
Hy not try something new? Because there's no need for
any talking in what wer'e about to do'

Rest, your pretty head, you pretty head
(just rest, just rest, just rest your pretty head)
Dont trouble your pretty head, your pretty head

You know im all for conversation, im really quite
romantic you know,
Why not get right to the point, its not that often we are
left alone
No offence, when you get going you really can be quite
a bore, now dont take this the wrong
Way, but my heels are getting sore

Rest, your pretty head, you pretty head
(just rest, just rest, just rest your pretty head)
Dont trouble your pretty head, your pretty head
Oh rest, your pretty head, you pretty head
(just rest, just rest, just rest your pretty head)
Dont trouble your pretty head, your pretty head
Rest, your pretty head, you pretty head
(just rest, just rest, just rest your pretty head)
Dont trouble your pretty head, your pretty head

We spent a winter and a spring, just listening not
talking, come weather, rain or shine,
No-one ever told you then, but conversations in my
head helped me to pass the time

Oh rest, your pretty head, you pretty head
(just rest, just rest, just rest your pretty head)

Dont trouble your pretty head, your pretty head

Rest, your pretty head , you pretty head
(just rest, just rest, just rest your pretty head)

Dont trouble your pretty head , your pretty head
Oh rest, your pretty head, you pretty head
(just rest, just rest, just rest your pretty head)

Dont trouble your pretty head , your pretty head
Rest, your pretty head , you pretty head
(just rest, just rest, just rest your pretty head)
Dont trouble your pretty head , your pretty head
