### "Tell Me What You Want"

Our eyes meet all the time  
Your eyes permanent in my  
Ooooh, tell me what, tell me what you want  
Tell me what, tell me what you want

You've been looking at me for days  
I don't go for secret games  
Ooooh, tell me what, tell me what you want  
Tell me what, tell me what you want [3x]

I need some kind of honest man  
So come and talk to me  
If that's your plan  
You could be mine

If you want me baby that's fine  
But don't keep up this silent  
Ooooh, tell me what, tell me what you want  
Tell me what, tell me what you want [3x]

I need some kind of honest man  
So come and talk to me  
If that's your plan  
You could be mine [2x]

Ooooh, tell me what, tell me what you want  
Tell me what, tell me what you want [3x]

You could be mine  
Tell me what, tell me what you want [3x]

You could be mine...
