When you catch my eye I know that we're in love
And when we say goodbye I know that we're in love
So why wont you confess that we're in
Love, love, love, love,
Love, love, love, love,
Love, love, love, love,
Love, love, love, love,
Love, love, love, love,
Love, love, love, love,
Love, love, love, love,
Love, love, love, love,
Love, love, love, love,
Love, love, love, love,
Love, love, love, love.

It's clear for all to see act like we're in love
I know your silence doesn't change the fact that we're
in love
Still I love to hear you say that we're in
Love, love, love, love,
Love, love, love, love,
Love, love, love, love,
Love, love, love, love,
Love, love, love, love,
Love, love, love, love,
Love, love, love, love,
Love, love, love, love,
Love, love, love, love,
Love, love, love, love,
Love, love, love, love.

So why won't you confess that we're in love, love, love,
love, love?
