"Highway Forever"

There's asphalt in between us That ain't gonna slow me down My steel train can cut through the rain Ain't nuthin' gonna stop me now

(I'm on a) Highway forever I'll reach my destination never (I got a) highway blue May never ever ever get back to you

I got a many millions miles to travel I got a thousand thirty towns to go through Highway to dirt road to gravel Spend a hundred hungry hours to get back to you

(I'm on a) Highway forever I'll reach my destination never (I got a) highway blue May never ever ever get back to you

Ooh (giddy up)...Let's Go Now!

Woo!

Oh hoh, wow, wow, wow, wow let's go now

(hey!)

Mmm, hmm, hmm, hmm, hmm, hmm hmm hmm (Let's go!)

(Yeah...let's go) Woo!

(Whadda ya got!?) I got a nickel in my pocket I got a girl on my mind I'm gonna be there tomorrow Who knows what I'll find

I've just got twenty miles to go now Home town stretch comin' up But the car breaks down, outside of town That's it, hey man, I give up

(I'm on a) Highway forever I'll reach my destination never (I got a) highway blue May never ever ever ever get back May never ever ever ever get back May never ever ever ever get on back to you

I may never get back to yooooouuuuuu....
