"Ladies And Gentlemen Part I"

Good evening ladies and gentlemen, what is your
desire
And hello ladies and gentlemen... explosions and fire
Good evening ladies and gentlemen, are you prepared
to rok
And hello ladies and gentlemen... let's rok
Let's rok, let's rok, let's rok, let's rok, let's rok, let's rok,
let's rok
Let's rok, let's rok, let's rok, let's rok, let's rok, let's rok,
let's rok

Do you have any idea what it takes to rok?
Every night every day every night
Plug us in and watch us pump out our sound
Comin' to you so you don't have to leave town

This is the show... we are the band
Sometimes it just takes you by the hand
