## "New York Groove"

New York Groove  
New York Groove  
I'm just talkin' about Shaft  
Shut yo mouth!

Many years since I was here  
On the street I was passing my time away  
To the left and to the right  
Buildings towering to the sky  
It's out of sight  
In the dead of night

Here I am  
And in the city  
With a fistful of dollars  
And baby, you better believe

I'm back, back in the New York Groove  
I'm back, back in the New York Groove  
I'm back, back in the New York Groove

I'm back, in the New York Groove  
Back, in the New York Groove

In the back of my Cadillac  
Wicked lady sitting by my side  
Saying "where are we?"  
Stopped at 3rd and 43  
Exit through the night  
It's gonna be extacy  
The place was meant for me

It feels so good tonight  
Who cares about tomorrow  
So baby, you better believe

I'm back, back in the New York Groove  
I'm back, back in the New York Groove  
I'm back, back in the New York Groove

I'm back in the New York Groove  
I'm back in the New York Groove

I'm back, back in the New York Groove [x18]
