### **"Back In The Picture"**

There were times in my life I was down on my knees,  
now it's over  
Deep inside my heart I know  
Simply put I've been stabbed in the back ever since I  
remember  
Deep inside it hurt to let go

I'm back in the picture, back in the picture  
I wonder what took so long, so long

Dedicate everything I create  
To my friends I would die for  
But you will always be the one  
Memories that you can't overrun, memories I could cry  
for  
I thought I'd always be on the run
