Broken Heart

Here I stand, all alone  
Trying to fight the pain from a broken heart  
Why she left me? I don't know  
It really doesn't matter anymore  
I thought our love could last forever  
But here I stand lost and all alone

There is life even after a broken heart  
You can fight the pain from a broken heart, broken  
heart

Start a new day, but not alone  
I'm gonna break away from this broken heart  
I'll meet a woman. I'm gonna take her home  
Where I'll pick all the pieces and start all over again

I know that life will be much better  
I know the sun will shine again

Yeah baby I know

There is life even after a broken heart, broken heart  
You can fight the pain from a broken heart, broken  
heart

Woouoa

I know that life will be much better  
I know the sun will shine again

Yeah baby I know  
Baby I know  
There is life even after a broken heart

There is life even after a broken heart, broken heart  
You can fight the pain from a broken heart broken  
heart

There is life even after a broken heart, broken heart

You can fight the pain from a broken heart, broken  
heart

Woouoa  
yeah  
Ooo my baby
