### "Dangerous Kind"

You got me in this situation  
You got me backed against the wall  
Caught in a web of your creation  
I bet you set me up to fall

Once I thought about it  
I figured out your wicked ways  
There's no doubt about it  
You'd sell your soul to seal the case

You're the dangerous kind  
Now look at what you've done to me  
What you've done to me baby  
You've gotta criminal mind  
Your motive is to plant a seed  
Now I'd kill for you baby

You gotta shady reputation  
From bed to bed to man to man  
Once you deliver your temptation  
No one can stop your master plan  
Don't try to lie about it  
I don't believe a thing you say  
The more you try to hide it  
The more the lies show on your face

You're the dangerous kind  
Now look at what you've done to me  
What you've done to me baby  
You've gotta criminal mind  
Your motive is to plant a seed  
Now I'd kill for you baby

You're the dangerous kind

I've been sleeping with the enemy  
Now I'm doing the time  
Paying up for the crime  
Guess you took everything you could from me

You're the dangerous kind  
Now look at what you've done to me  
What you've done to me baby  
You've gotta criminal mind  
Your motive is to plant a seed  
Now I'd kill for you baby

You're the dangerous kind
