It's hard to believe  
that it came to this.  
You paralysed my body  
with a poison kiss.

For 40 days and nights  
I was chained to your bed.  
You thought that was  
the end of the story.

Something inside me  
called freedom came alive.  
Living in a world without you.

You told me my darling,  
without me, you're nothing.  
You taught me, to look in your eyes  
and fed me your sweet lies.

Suddenly someone was there  
in the window.  
Looking outside at the sky  
that had never been blue.

Ah, there's a world without you  
I see the light.  
Living in a world without you.  
Ah, there is hope to guide me  
I will survive!  
Living in a world without you.

It's hard that  
that it came to this.  
You paralysed my body  
with a poison kiss.

For 40 days and nights  
I was chained to your bed.  
You thought that was  
the end of the story.

Something inside me  
called freedom came alive.  
Living in a world without you.

You put me together  
then trashed me for pleasure.  
You used me again and again  
Abused me, confused me.

Suddenly naked I run  
through your garden.  
Right through the gates of the past and I'm finally free.

Ah, there's a world without you  
I see the light.  
Living in a world without you.  
Ah, there is hope to guide me  
I will survive!  
Living in a world without you.

It's hard that  
that it came to this.  
You paralysed my body  
with a poison kiss.

For 40 days and nights  
I was chained to your bed.  
You thought that was  
the end of the story.

Something inside me  
called freedom came alive.  
Living in a world without you.

It's hard that  
that it came to this.  
You paralysed my body  
with a poison kiss.

For 40 days and nights  
I was chained to your bed.  
You thought that was  
the end of the story.

Something inside me  
called freedom came alive.  
Living in a world without you.

Ah, there's a world without you  
I see the light.  
Living in a world without you.

Ah, there is hope to guide me  
I will survive!  
Living in a world without you.  
Living in a world without you.  
Living in a world without you.  
Living in a world without you.  
Living in a world without you.
