Like an angel you came
Everytime when I pray
Guardian of my dreams
Watching me when I sleep
Like an angel you came
Everytime when I scream

Time after time I lose again
Night after night I wake up shaking
'Cause my world is breaking
Fool enough to fall again
Night after night I wake up crying
'Cause I feel like dying

Still disconnected and unprotected
Still I'm haunted but unwanted
For a moment unbreakable stars
For a moment you stayed in my heart

Like an angel you came
Everytime when I pray
Guardian of my dreams
Watching me when I sleep
Like an angel you came
Everytime when I scream

Time after time I lose again
Night after night I wake up shaking
'Cause my world is breaking
Fool enough to fall again
Night after night I wake up crying
'Cause I feel like dying

Time after time I lose again
Night after night I wake up shaking
'Cause my world is breaking

Fool enough to fall again
Night after night I wake up crying
'Cause I feel like dying

(Time after time I lose again)
Night after night I wake up shaking
'Cause my world is breaking
Fool enough to fall again (Fool enough to fall again)
Night after night I wake up crying
'Cause I feel like dying
