"October & April"

(feat. Anette Olzon)

She was like April sky
Sun rise in her eyes
Child of light
Shining star
Fire in her eyes
Bright as day
Melting snow
Breaking through the chill
October and April

He was like frozen sky
In October night
Darkest cloud
Endless storm
Raining from his heart
Coldest snow
Deepest thrill
Tearing down his will
October and April

Like hate and love
Worlds apart
This fatal love was like poison
Right from the start
Like light and dark
Worlds apart this fatal love was like poison
Right from the start

We were like loaded guns
Sacrificed our lives

We were like love undone
Craving to entwine

Fatal torch
Final thrill
Love was bound to kill
October and April

Like hate and love
Worlds apart
This fatal love was like poison
Right from the start
Like light and dark
Worlds apart this fatal love was like poison
Right from the start

Hate and love
Worlds apart
This fatal love was like poison
Right from the start
Light and dark
Worlds apart
This fatal love was like poison
Right from the start

October and April
October and April
October and April
