"Pa-Pa"

As you can see right now my friend I'm falling...
'n' I'm not falling in love.

As you can see right now my friend I'm crawling,
'n' I'm not crawling back to you.

I'm gonna do things I wanna do,
I'm gonna say things I wanna say,
I'm gonna do things I wanna say.

As you can see right now my friend I'm dreaming...
'n' I'm not dreaming of you.

If you really try you'll get my meaning
That I'm not coming back to you.

I'm gonna do things I wanna do,
I'm gonna say things I wanna say,
I'm gonna do things I wanna say.
