where are those happy days
they seem so hard to find
i try to reach for you
but you have closed you mind
what ever happend to her love
i wish i understood
it used to be so nice
it used to be so good

so when you need ma darling cant u hear me
the love you gave me
nothing else can save me
when youre gone
how can i even try to go on
when youre gone
though i tried
how can i carry on

you seem so far away
though youre standing near
you made me feel aliove but something died i fear
i really tried to make it out
i wissh i understood
what happend to your love
it used to be so good

so when you need ma darling cant u hear me
the love you gave me
nothing else can save me
when youre gone
how can i even try to go on
when youre gone
though i tried
how can i carry on

what ever happend to you love
i wish i understood
it used to be so nice
it used to be so good

so when you need ma darling cant u hear me

the love you gave me
nothing else can save me
when youre gone
how can i even try to go on
when youre gone
though i tried
how can i carry on

Where are those happy days
they seem so hard to find
