I can't believe that it's over  
I lost this one  
Tonight I'll run free  
I wish I had someone to guide me  
And pull me up  
'Cause the lights can't find... me

Stranger... Take me home

I wish I had already found You  
I've wasted time  
My mind had grown black  
You'll save my life  
You brought my faith back

Stranger... Take me home  
Stranger

And I will love you  
Only for tonight  
I don't know You  
But it's all right  
Let me show you heaven

Stranger, take me home

Somehow I feel like I've known you all my life  
And we have been together since a long of time  
I've been missing vital pieces of the puzzle  
You might be the answer stranger

And I will love you  
Only for tonight  
I don't know You  
But it's all right  
Let me show you heaven

Stranger, take me home  
Stranger... take me home
