### "You Got It Wrong"

When you found me on the street  
Did you think you rescued me?  
Bet you thought without you I would die  
Like a snake you swallowed me  
I took it till I couldn't breathe  
Just to bring your fantasies to life  
You count on the faithful  
To get your way  
And to follow your light

You got it wrong now  
'cause I don't give a \*\*\*\*  
I'm not your believer  
You got it wrong so  
I guess you're out of luck  
Your dream just lost a dreamer

You fool me with your mystery  
Preaching peace and charity  
But I see through your vanity and lies  
You think you got the best of me  
But I will rewrite history  
I'll take back my life to your surprise  
If I could make it as painful  
As you did for me  
I'd be just wasting my time

You got it wrong now  
'cause I don't give a \*\*\*\*  
I'm not your believer  
You got it wrong so  
I guess you're out of luck  
Your dream just lost a dreamer

There's a little part of me  
That would like to see you cry  
Even if it's just one tear  
I know it would never dry

You got it wrong now

'cause I don't give a \*\*\*\*  
I'm not your believer  
You got it wrong so  
I guess you're out of luck  
Your dream just lost a dreamer
