Verse1:

Maybe no one ever told you  
And I can't see you've lost your confidence  
But from where I stand you're perfect and that makes  
no sense

I tell you you're amazing  
And I tell you that you're fine  
But you just look at me and say I'm blind

Chorus:

If you could see yourself through my eyes,  
Oh baby if you only knew what you have inside  
If you could look beyond the illusions in your mind  
Baby you would find  
A beautiful surprise

Verse2:

You've got a special way about you  
Don't ever let nobody doubt you  
You are so incredible and I want you to know  
That it's time to see you're wonderful and just let go  
I tell you you're amazing

And I tell you that you're fine  
And don't you know that you're one of a kind  
YEAH!!!!

Chorus:

If you could see yourself through my eyes  
Oh baby if you only knew what you have inside  
If you could look beyond the illusions in your mind  
Baby you would find  
A beautiful surprise

Bridge:

I'll remind you who you are  
Cause in my eyes you are a star  
There is nothing quite as bright as when you're shining  
Underneath those foolish lies  
There's a beautiful surprise

Chorus:

If you could see yourself through my eyes  
Oh baby if you only knew what you have inside  
If you could look beyond the illusions in your mind  
Baby you would find  
A beautiful surprise

If you could see yourself through my eyes  
Oh baby if you only knew what you have inside  
If you could look beyond the illusions in your mind  
Baby you would find  
A beautiful surprise  
A beautiful surprise  
A beautiful surprise  
A beautiful surprise
