Wash over me, flood my soul
In the goodness of Your mercy make me whole
Blend my feet by the river deep
Saturate my spirit even as I sleep

And Your love is my song and I'll sing it forever
Your faithfulness Lord, it goes on like the sea
And I'll never quit telling my salvation story
I worship You, Lord, You're the beauty in me

I'm pouring out Your presents, I'm dressed in light
Surrounded by Your mercy, Heaven's delight
Lost in the ways of Your holiness
And I've been in the shadows of Your saving grace

And Your love is my song and I'll sing it forever
Your faithfulness Lord, goes on like the sea
And I'll never quit telling my salvation story
I worship You, Lord, You're the beauty in me

I wanna walk in the light of Your glory
And rejoice in Your name, all day long
I want Your vibe and beauty inside me
With one voice I lived high

This love song most holy
Merciful Majesty
And radiant royalty
Living in me

Most holy
Merciful Majesty
Radiant royalty
Living in me
Living in me

And Your love is my song and I'll sing it forever
Your faithfulness Lord, goes on like the sea
And I'll never quit telling my salvation story
I worship You, Lord, I worship You, Lord

And Your love is my song and I'll sing it forever

Your faithfulness Lord, goes on like the sea
I'll never quit telling my salvation story
I worship You, Lord
Your love is my song
