Small town in the USA
Hangin' out in the one BK
Every day every week's the same
Football games and everyone knows your name

Weekend no place to go
So we cruise in the 5.0
Got the tunes on the radio
I don't wanna be here tomorrow
I know that we all want some change

What are we waiting for?
Let's just get away!
Before it gets too late and the sun goes down
What are we waiting for?
Let's just get away!

And pray for more than another day
What are we waiting for?
(Let's just get away)
What are we waiting for?
(Let's just get away)

Sunset and the silver moon
Gotta go, gotta get there soon
Radio plays our favorite tune
I wanna get, get, get away?

Watch out 'cause here we come
Not a doubt and were on the run
Headed south on the 101
All I wanna do is have some fun
I know that we all want some change
I know that we both feel the same

What are we waiting for?
Let's just get away!
Before it gets too late and the sun goes down
What are we waiting for?
Let's just get away!

And pray for more than just another day!

What are we waiting for?
What are we waiting for?

What are we waiting for?
Let's just get away before it gets too late and the sun
goes down
Let's just get away!
Let's just get away!
