Who was I to try to live without you?  
Thinking I could do things my own way  
Lord, I know that I should never doubt you  
I get so lost and lonely when I stray

Now it's time to surrender to you  
I'm a man who believes, it's you that I need

Whatever it takes, that's what I'll do  
I'd give anything to get back to you  
I know I was wrong  
And I've made some mistakes  
But I'm gonna do whatever it takes  
Yeah, whatever it takes

In a world of darkness and temptation  
Only you can give me eyes to see  
Father You're my strength and my salvation  
Show me now who I was made to be

I will follow anywhere that you lead  
For it's your will not mine  
I'm gonna prove it this time

Whatever it takes, that's what I'll do  
I'd give anything to get back to you  
I know I was wrong  
I've made some mistakes  
But I'm gonna do whatever it takes  
Whatever it takes

I'm standin' here 'cause I've got nothing to lose  
I lost it all when I walked away from you  
I swear this time around, I won't let you down

Whatever it takes, that's what I'll do  
I'd give anything to get back to you  
I know that You will forgive my mistakes  
So I'm gonna do whatever it takes

Whatever it takes, that's what I'll do  
(That's what I'll do)

I'd give anything to get back to you  
(To you, to you)  
I know I was wrong  
I've made some mistakes  
But I'm gonna do whatever it takes  
Whatever it takes

Whatever it takes, that's what I'll do  
(That's what I'll do)  
I'd give anything to get back to you  
(To you, to you)  
I know I was wrong  
I've made some mistakes  
But I'm gonna do whatever it takes  
Whatever it takes

Ahahahaha, ohohoho, ahaha
