while I pour the wine
we can make love tonight
girl I'll take you there
if it's all right
it's so easy
sometimes I feel
that you might get bored of me
but you're quick to say
that it's ok
and to stop bein' silly
but I can't believe
that this is real
i'm blind like a burnin' betrayal
you reign supreme
baby you're my queen (my queen)
it feels like a fairy tale
i wanna be (i wanna be)
i wanna be with you (i wanna be with you)
let's love tonight
you can dim the lights
while I pour the wine
we can make love tonight
girl I'll take you there
if its all right
i was like can't eat can't sleep can't think
twenty four hours seven days of the week
give love a found strength thanks to you
i made it through the storm cuz you pulled me through
man you made me feel good like i was a block pimp
ain't no kryptonite couldn't claim no effect
you got me on a natural high (that's for real)
cherry on top (you are sex appeal)
the colors of your eye slowed my attention
couple in your smile with the golden complexion
not too tall not to thin
head swag as she would pass, silk smooth skin
getting closer then to the end
go deep and then slow til you rest on my chest
say the least i'm at peace with you
what you say how you move everything you do
now whatever you want i'll provide
if you don't like i'll sacrifice

i'm ready to bet my soul to you
cuz all i know this much is true
let's love tonight
you can dim the lights
while i pour the wine
we can make love tonight
girl i'll take you there
if it's all right
