There comes a time, a certain place  
A certain smile, a certain face  
When we come together  
hand in hand  
we'll make it through  
just me and you

chorus

if you believe x2  
we'll make it through  
just me and you  
we'll make it together  
forever and ever  
if you believe

verse 2

if your feeling down  
and somethings not right  
turn on disney channel  
it will be alright  
you'll see hannah montanna  
selina and raven  
they'll make you smile  
just for awhile

chorus

if you believe x2  
we'll make it through  
just me and you  
we'll make it together  
forever and ever  
if you believe

Bridge

Never give up x20  
(Never give up hope, never give up love, never give up  
friends, never give up peace)

Chorus

if you believe x2  
we'll make it through

just me and you  
we'll make it together  
forever and ever  
if you believe
