Verse 1

If you're feeling blue
And your friends aren't true to you,
You go to your room,
You clean your room,
You also sleep in your room.

Verse 2

Listen to your inner self
Don't rely on someone else
That's cheap talk
You're better than that
Listen to your heart

And just stay

Chorus

True to Yourself x3
Just stay true

Verse 3

Others may not understand
But you're there to be your own friend
Your shadow too is there for you
As long as you stay true

And just stay

Chorus x2

True to Yourself x3
Just stay true

Instrumental

Chorus

True to Yourself x3
Just stay true

ONE TWO THREE FOUR

Chorus x4

True to Yourself x3

Just stay true
