Everybody tries to tell me who to be.
Everybody tries to run my life for me.
I just wish sometimes that my life was my own.
I almost want to be alone.

Chorus:

Don't do this, and don't do that.
Don't be who you are. Be like that.
Don't say this, and don't say that.
Everything you do is sad.
And that is all I ever hear.
Don't do that.
Everybody tries to tell me where my life should lead.
Everybody thinks that they know better than me.
I so badly want my life to be my own.
Almost need to be alone.
