Many times I wish that I were someone else,  
That I could open up my heart to anyone.  
All the time I hope that I am on my way to  
Living the life I dream of.

Chorus:

I don't know why I want these things, but I want them so  
much,  
And I don't know why I never give up.  
I've got a good life now, but I want much more.  
I want all that I am living for.  
I wanna go beyond my dreams and soar.

Everybody thinks that I have all that I need,  
that there's no way that I could ever be sad.  
Why they think this way, it doesn't matter to me.  
I don't want my life to be bad.

Chorus

And how I wish I could reach all of my dreams.  
And how I wish I could only believe in me.  
And how I wish that in my life, nothing could go wrong.  
And how I wish I could always be strong.

Chorus
