This gon be the realest sh-t I ever wrote, so just know  
it's deeper than rap  
It was a lot of sh-t that go, but now I'm bringing it back  
I been a G all of my life, and tried to hold it for the best  
I'm the realest nigga living, they can write it when I rest  
Fu-k it put me with the best, and I can stand out on my  
own  
It's survival of the truth, and I'll be coming for the  
throne  
Fu-k being a bigger man, niggaz played the game  
wrong  
So I played it how they played it, while remaining in my  
zone  
These niggaz hoes, that's why they keep my name in  
they mouth  
It ain't hard to find me, bitch nigga I'm the streets of  
the South  
And ain't no banging over wax, nigga come see me in  
the hood  
In the section where fake is twisted, like the W in wood  
I been repping since I was 12, but now I'm 25 strong  
With the family of A.B.N., running and toting some'ing  
chrome  
I never trained to be in battle, even though I been at  
war  
Mob made motherf-cker, prolly leave you with a scar  
I'm the truth

This be the realest, the realest sh-t I ever wrote  
This be the realest, the realest sh-t I ever spoke  
All I know is, (this gon be the realest sh-t I ever wrote)  
All I know is, that I'm gon be the truth

They better know I peep everything in the game,  
they got me looking at my life different  
Niggaz out here thinking they can know it, if my vibe  
different  
These other niggaz out here falsified, telling lies  
Sell a couple records, now they profitized keep it real  
You niggaz ain't got the credibility, to be the truth  
Unless you out here living what you talking, in the

booth

Everyday it be the same, niggaz know I'm in the lane  
Only fu-king with the killers, cause we feel eachother  
pain

I hit the highway with my niggaz, never toching the  
caine

Now they got me watching for the FEDs, bitches  
mention my name

Since I'm the leader of the gang, it make it hard for me  
to move

I'm the truth, it ain't gon be a pretty sight for me to lose  
Trae bail on street sh-t, got it on a lock

Everytime I'm going off, niggaz done got it on the  
block

Never something that it's not, I only know of being Trae  
And that's the truth every motherf-cking day, it ain't no  
other way

Niggaz saying I got the name to be the truth, and I ain't  
even mad at em

But that expression on they face, had me taking jabs at  
em

This a warning shot, ever seen a nigga at his last

If you haven't, I advise you let this motherfu-ker pass

I ain't here to be mistaken, so respect it when I spit it

Fu-k it keep it yourself, cause anyone of you's will get it

I'm a Asshole, and it's self explained by the anger

And I'm holding on a glock, that's keeping one up in the  
chamber

I'ma strut it like a gangsta, so my niggaz get they bang  
on

Hopping out the slab, Dickies sagging with my chains  
on

Hopping fly, cause they seen the dropper with them  
thangs on

Lord knows, Trae'll leave them niggaz with they brains  
blown

I'm in another zone, niggaz still on cloud nine

And I'm a loner, you niggaz don't need to crowd mine

Trae the Truth is what it is, niggaz know it's time

Plus I'm here to make em lay it down, 'fore I spray it  
down

The truth be the realest sh-t I ever spoke

be the realest sh-t I ever wrote

(this gon be the realest sh-t I ever wrote)

Be the realest sh-t I ever spoke, be the realest sh-t I  
ever wrote - 2X

This be the realest sh-t, I ever spoke

Even if they never see it, this gon be the realest sh-t I

ever wrote  
Pay attention, to the sh-t I quote  
Even if they never hear it, this gon be the realest sh-t I  
ever spoke - 2X

One hundred percent real, one hundred percent  
reeeeeal  
Heeeey, Trae let em know ooooh  
This be the realest sh-t, that I ever spoke and wrote  
This is the truth, heeeey
