i'm lost for words, dunno what to say
cos you're gone so far away
life without you is not the same
but i know i have to find a way
because i ain't going down, i ain't giving up
i'll give my everything just for us
gotta do for me while loving you
i can make it through

so when they ask me
how do i know
what do i see
why i won't let go
i'll do it for you
i'll do it for you
i'll do it for you
so they can all see
now they all know
as long as i breathe
i won't let go
i'll do it for you (oh)
you know i'll do it for you
(whoa yeah)

outta sight, not outta mind
it felt like i was going out my mind
now i wish that i could press rewind
get it back just one more time
now i found a way to carry on
keep it together and be strong
gotta do for me while loving you
i can make it through

so when they ask me
how do i know
what do i see
why i won't let go
i'll do it for you
i'll do it for you
i'll do it for you

so they can all see

now they all know
as long as i breathe
i won't let go
i'll do it for you (oh)
you know i'll do it for you
(whoa yeah)

i gotta find a way, i'm not gonna give up
i gotta make it through
no matter what they say
i'll do it for you (hey)
i gotta find a way, i'm not gonna give up
i gotta make it through
no matter what they say
i'll do it for you

so when they ask me
how do i know
what do i see
why i won't let go
i'll do it for you
i'll do it for you
i'll do it for you
so they can all see
now they all know
as long as i breathe
i won't let go
i'll do it for you (oh)
you know i'll do it for you
(whoa yeah)

i gotta find a way, i'm not gonna give up
i gotta make it through
no matter what they say
i'll do it for you
i said i gotta find a way, i'm not gonna give up
i gotta make it through
no matter what they say
i'll do it for you
