I'm sick, I'm tired of people telling me what to do  
Why don't they just let me be me  
I do what I wanna do  
But they don't understand that I  
I got a point of view  
They call me young and foolish  
But I'm not too young to do this  
So let me show and prove, cause

I just can't do  
Everyting that you want me to  
I just can't be  
All the things that you want me to be  
I just can't live  
The way that you want me to live  
I just can't be  
Be with out my love

I'm leting you know  
Even if i had all that money  
I just can't be without my  
Don't care about all the honeys  
I just can't do without my  
Can't help but think ain't it funny  
I just can't be without my  
No matter what  
I know that I can't do without my love

Damn I feel like a kid again  
They always tripin like I dont know what I'm doing but  
Yeah, I know I can handle this  
All I can do is keep it real  
be true t the way I feel  
And just express myself, cause  
I don't wanna be no one else  
And I won't let to myself, cause

I just can't do  
Everyting that you want me to  
I just can't be  
All the things that you want me to be  
I just can't live

The way that you want me to live  
I just can't be  
Be with out my love

I'm leting you know  
Even if i had all that money  
I just can't be without my  
I Don't care about all the honeys  
I just can't do without my  
Can't help but I think ain't it funny  
I just can't be without my  
And no matter what  
I know that I can't do without my love

They just don't see what I see  
Cause they don't know the love that's in me  
And they try to tell me what to do  
But a man's gotta do what he's gotta do, ooh  
Can't nobody tell me what, or when, or where  
Or how to do things in my shoes  
So I'ma do my thing  
Won't let anything come up between me and my love,  
So im letting you know

Even if i had all that money  
I just can't be without my  
Don't care about all the honeys  
I just can't do without my  
Can't help but think ain't it funny  
I just can't be without my  
No matter what  
I know that I can't do without my love

Even if i had all that money  
I just can't be without my  
Don't care about all the honeys  
I just can't do without my  
Can't help but think ain't it funny  
I just can't be without my  
No matter what  
I know that I can't do without my love
