She looked so amazing  
As I pulled up by her side  
The neon light up menu  
Put a sparkle in her eyes  
With a voice as sweet as honey  
She asked me what I'd like  
I took a deep breath and said her baby tonight...

I want some Mc lovin  
Lets go on a Mc date  
I think you were meant for me  
There's no need to hesitate  
Just forget all of your troubles baby  
And jump into my car  
Let's grab the drive thru money  
We're bound to get Mc far

Yes I am a regular  
Anything to see her face  
Every night at 5:25  
Just to pull up in her space  
But it's worth every penny  
To see her in her uniform  
And I would stay forever if management  
Would stop telling me to move on to window number  
two

I want some Mc Lovin  
Lets go on a Mc date  
I think you were meant for me  
There's no need to be Mc afraid  
Just forget all of your troubles baby  
And jump into my car  
Let's grab the drive thru money  
We're bound to get Mc far  
Mmmm it's our time

But staring at her headset  
The futures clear to me  
She'll come home from work  
With two Mc Value meals for our tea  
When our children ask us

When their parent's love first came to be  
We'll tell Ronald and his brother Donald  
It all started with this plea

I want some Mc lovin  
Lets go on a Mc date  
I think you were meant for me  
There's no need to hesitate  
Just forget all of your troubles baby  
And jump into my car  
Let's grab the drive thru money  
We're bound to get Mc far
