[VERSE 1:]

I can't explain, don't understand
But everyday I think about you
You're the one, and it's for real
There ain't no words it's just how I feel
Deep down inside and I can't hide the way you make
me feel so high...
And I can not deny

[CHORUS:]

You make me feel
Like a kid in a candy store
You make me feel
Like I've never been here before
You make me feel
Everyday is my birthday
You making me feel this way

You make me feel
Like I just won the lottery
You make me feel
Like I'm changing my destiny
And I'm caught up,
I never thought I'd feel this way
You make me feel

(I'm gonna come get you, I can't get you out of my
mind)
(I'm gonna come get you, girl, I gotta make you all
mine)

[VERSE 2:]

I get butterflies everytime
I stare deep into those eyes
Maybe I'm helpless, or I'm just selfish
Cause I want you all to myself
Ohhhh what I'd give to make you mine
There's nothing that I would not try...
And that's the reason why

[CHORUS:]

You make me feel

Like a kid in a candy store
You make me feel
Like I've never been here before
You make me feel
Everyday is my birthday
You making me feel this way

You make me feel
Like I just won the lottery
You make me feel
Like I'm changing my destiny
And I'm caught up,
I never thought id feel this way
You make me feel

(I'm gonna come get you, I can't get you out of my
mind)

I can't help my heart
It's like an open book
Won't you take a look
Cause it ain't hard to see that you've got me hooked
Naaa

Baby...
The way you've got me feelings kinda
Crazy...
What you got is what I need
I'm loveing everything I see
We fit perfectly
Cause...

[CHORUS:]
You make me feel
Like a kid in a candy store (Ohh Ohh)
You make me feel
Like I've never been here before (mmmm)
Everyday is my birthday (Every day is my birthday)
Yeaa (Feel this way)

I said you make me feel
Like I just won the lottery
(Ohh like I just won the lottery)
Like I'm changing destiny
And...
I'm caught up
I never thought id
Feel... the way
You make me feel
